Dan, Josh: Attached are draft status reports in both cases, which simply add the same language Eileen used in the district court case. They are not due until early December, but I will be out of the country then and intend to file them both on November 30. I will need to share the D.C. Circuit report with petitioners' counsel. Given that next week is Thanksgiving and some folks may be traveling, I would appreciate if you could take a look and get back to me by COB this Friday on these.

Thanks,

Dave
